Attention all youth shooters:

J&H has a youth shooting program opportunity for kids from 4th or 5th grade through 12th grade. The program is through the Wisconsin Sporting Clays Association (WSCA). The following is a breakdown of the age requirements.

Rookie: All students in grade 4 & 5 (must be able to handle a firearm)

Intermediate: Grade 6-8

*Entry level: 1st year in SCTP/WAYS program

*Advanced: 2nd or 3rd year in program

Senior: Grade 9-12

*Jr. Varsity: 1st year in SCTP/WAYS program or 2nd year in program if you were in the intermediate 1st year level last year (currently beginning 2nd yr. of participation)

*Varsity: If advancing from the Intermediate – Advanced category (you'll be in at least your 3rd year of the program)

FEES:

OPTIONAL: NSCA membership \$20.

NSCA (National Sporting Clays Assoc.) www.mynsca.com

If the student wishes to compete at registered tournaments with the ambition to climb the “ladder” to advance from class to class (competition only), then the NSCA membership is for them. If they only wish to learn safety and shooting skills for fun, then they need not join the NSCA at this time.

WAYS state shoot \$20. Payable to J&H as you can before July 1st. This fee is refundable if something comes up and you cannot shoot on July 18th.

Lessons at J&H: \$7.00 includes tax for 50 targets. Our normal fee is \$8.25 up to age 14 and \$12.25 for 15-17 and \$16 age 18 & over. We want to keep the price affordable for this program.

Lessons start tentatively the 1st week of May and will continue until the state shoot on July 18th.

Tuesdays and Thursdays at 5:30 (and Sundays at 1:00 BY APPOINTMENT(tentative))

The kids will be with the instructors for about 2 hours at each lesson. Students may come once, twice or all three times each week. Practice is important and we would like them to come at least once a week.

Shells at J&H: We will charge our cost + tax for participants of our program. As of today's date, 1/1/2015, our cost is \$5.50/box (12 Ga.) and \$5.50/box (20 Ga.) of 25 shells. We will adjust the price with every shipment we get.

You will be meeting many new young shooters this summer. Hopefully these instructions will make all of our young people better shooters. Sporting clays can be a very fun and exciting sport. We will be teaching safety and good techniques and most importantly, good sportsmanship. Be prepared to work hard and have a great time.

Each year J&H teams have done very well and that's because we practice and have fun.

PS

J&H has been selling Vande Walle's candies at our club house to help raise money for our programs here. Each bar sells for \$1 and there are 40 bars to a box. When you sell the box, \$20 pays for the candy and \$20 goes into an account at J&H in your name which you can use for shooting fees, shells or food at J&H. If your youth is in our program and would like a head start, call or stop in for details and pick up boxes of candy today.
